Hi,

We're having a fine time. We just got into the States from New Brunswick yesterday. We've had lobster, clams, scallops, shrimp and swordfish to eat so far in the seafood line. We're heading down the coast today.

Dear Mrs Weigold,

Couldn’t remember if I told you how much I enjoyed your supper the other night and I wanted you to know, that I did, very much so. Everything was simply perfect. I guess Jim and I will have to brush up on our card playing though, sure was funny, but we just couldn’t win.

Believe it or not, but I got my drivers license this afternoon.

Dear Mrs. Weigold,

Can’t remember if I told you how very much I enjoyed your supper. Everything was simply perfect.

Dear Mrs. Weigold,
Don’t remember if I told you how very much I enjoyed your supper the other night or not. Every-thing was simply delicious.

Dear Mrs. Weigold,
Just a note to tell you how very much I enjoyed supper the other night. Everything was ~~delicious~~ simply delicious.
I guess Jim and I will have to brush up on our card playing, though sure was funny that we just couldn’t win.
Went to Saginaw this Fri. afternoon and got my *drivers* license. It wasn’t bad at all. I made out alright.
Hope to be seeing again soon.

Ila.

My love for you was good and true
to think of you I still feel Blue
I've *tryed* to forget your name
~~Knowing even that first time we met~~
Wondering which of us was to blame
I hope you won't know
Who ~~this is~~ is writing this
Because ~~she's no longer a miss~~ a miss she no longer is
But to you I'd like to send a kiss
Because I know I'll never see
the time when you with ~~you again~~ me will be
I don't know how much longer I~~'ll~~ will live
But ~~for~~ one last ~~kiss~~ time I'd like to give
With all my heart which was broken
this one last little token
of a love that might have been.
~~Here's the end of all the words I will leave unspoken.~~
a lasting thing until the world end.
~~A happy birthday I hope you'll have~~.
A Happy day I hope this will be.
How much I wish you today I could see
But what ever will be will be.

P.S.

You still aren't older than the hills as you used to say, but I feel as if I am. Please keep this to yourself so no trouble will come of it. Best of Luck.

Love is <u>not</u> a simple task
That's why I can't ask
For to ask would not simplyfy my task[6]

Dear Bob,

I have just been reading some of your *letter*. They make my heart ache. You know how long *its* been? Quite a few years now and I still have this awful feeling. But what can I do about it? I know, nothing! I guess now I'll never know. I feel so much like a fool. Because that's what you made me, isn't it. How could you have done this to me? Probably ruined my whole life. I'm not trying to sound dramatic. I know I should have burned these letters long time ago. But I still hang on to them. *Its* the only thing of you I have, Or ever will have. I loved you more than anyone ever could. I don't know if you'll ever know who this is. ~~Isn't~~ It doesn't matter, I'm just *writting* this to get it out of my system I'll probably never send it.

Was so sorry to hear about your father. Wanted to go to the funeral so bad, but couldn't get there.

I wish I could find out how you are and what *your* doing. If you know who this is. I wish you'd let me know.

As Ever,
The One Who Could have been

Dear Bob,

Just a line to say hello and to see if I could find out ever happened to you. You probably won't even remember me. I'm the little girl who use to pester you so much with letters. I guess I never broke the habit.

Two different people have asked me about you, so it got me to thinking and wondering about you. So on the *spir* of the moment I decided I'd write you and try to find out. The first thing *ever* one asks me is did Bob Weslock ever get married? I get so tired og always having to say I don't know. If you did and ~~she~~ your wife is reading this I hope she understands this. (~~We both know [?] to be.~~)

Duane was over yesterday. He has quite a family now, four boys and 1 girl. (~~But, I guess, that's all!~~) I know he would really like to see you aain some time. So would I just for old time sake. I'd like you to meet my husband too. You two would probably get along fine. ~~I took a long time before I found anyone who~~ Do you still go fishing like you *use* to? The hunting is great out (over)[9] this way. You know you've had an open invitation to come hunting out here for years.

I know this is crazy *writting* to you like this. But that's the kind of a kid I am. No seriously, I have always wondered what happened to you and to Jerry. I hope I haven't caused any trouble by *writting* this. If you are married (and I suppose you might be) I wouldn't want to make any bad feelings anywhere.

If you have time some day I would really like to hear from you, or else write to Duane.

As Ever,
Ila
